

You're invited to join Michigan Dance Heritage

A CDSS Center dedicated to providing opportunities to participate in traditional dance, music and song, and featuring Michigan's heritage www.mdh-online.org

Michigan Dance Heritage (MDH) continues on the path of its mission described above and we're proud of the work that we've done to date and the support of our members. If you're new to this fine organization, you would enjoy the fact that we've been providing the following services (and more) to traditional dancers, musicians, singers and youth and adult communities in the fine State of Michigan since 1987 (22 years!):

- The planning and presenting of music, song and dance camps in both the Spring and Fall of the year continues to draw 150+ people to each of the fair cities of Dowling and Lexington.
- A grant to the Ann Arbor Schools Adult Education "English as a Second Language" Program helped provide a caller and musicians for their family dance. This was part of their "Step into the Community Week" and introduced ESL students from over 30 countries to traditional music and dance in Michigan.
- A grant was awarded to the Bayside Travelers Country Dance Society for their Dream Floor Project. Bayside raised enough money to install a new wood floor in their new dance home, the vintage Gilbert Lodge in Traverse City. Ribbon cutting and dancing commenced on the new floor in April, 2005. Over 100 residents of the Traverse City area dance there monthly.
- A grant to finance the mailing of the AACTMAD Events listing to organizations outside of Ann Arbor allowed broad communication of music, song & dance events across the state.
- A grant to Elms Elementary School for their Intergenerational Family Dance provided live musicians for a gathering of 160 children, parents and grandparents in Flushing, Michigan. This event was in collaboration with the Parent Teachers Organization of Elms Elementary who supported traditional dance instruction for two days in the school before the evening dance.
